Programme on National Electronic Funds Transfer System (NEFT), February 22 – 24, 2012

We are glad to announce a three-day Programme on NEFT, February 22-24, 2012. We give below the features of the programme. We welcome your active participation in the programme.

Introduction:

Usage of SFMS (Structured Financial Messaging System) for transfer of funds through RTGS (Real Time Gross Settlement) and NEFT systems is increasing steadily. This three-day programme on NEFT would enable participants to know details of the working of the NEFT over SFMS and its operations.

The easy to use Application Program Interfaces (APIs) of SFMS, can be used to integrate all existing and future applications with the SFMS. Banks can develop comprehensive and efficient tools and applications and integrate them easily with NEFT, leveraging SFMS.

Objectives:

- ◆ Provide an in-depth understanding of implementation and management of NEFT in the bank.
- ◆ Enable participants to achieve efficiency and effectiveness in the operation of NEFT.

Contents:

- ◆ Overview of SFMS and NEFT
- ◆ Concepts of User Administration, DR set up and MQ
- ◆ Creation/Verification/ Authorization of NEFT Messages.
- ◆ Integration and Troubleshooting

Participants' Profile:

Officials from the NEFT teams of banks.

End Use:

After successful completion of the training, the participants would have an in-depth understanding of the working and implementation of the NEFT.

Faculty:

- ◆ Faculty of IDRBT
- ◆ The SFMS Team
- ◆ Technical Experts

Fee & Nomination:

The fee for the programme is Rs. 16,545/- (Sixteen Thousand Five Hundred and Forty Five only) i.e., Rs.15,000/- plus Service Tax @ 10.3%, per participant. It includes boarding, lodging, training, course material, kit, and other infrastructure overheads.
