## **AWARENESS ON PAYMENT SYSTEMS VISION 2021**

**December 06 – 09, 2021**

---

### Introduction

RBI endeavours to ensure that India has 'state-of-the-art' payment and settlement systems that are not just safe and secure, but are also efficient, fast and affordable. The planned development of the payment systems has been guided by RBI's vision document for the payment and settlement systems in India; the last in this series was the Payment Systems Vision 2018. The current Vision document outlines the road map for the three-year period spanning from 2019 to 2021.

### Objective

To provide awareness of RBI's payment and settlement systems vision and the high-level committee report on deepening of digital payments.

### Contents

- Goals-posts for payment system vision
- Expected outcomes of vision
- Specific initiatives of vision
- Strategy for deepening digital payments

### Mode of Teaching

Online teaching plus learning inputs through reading material, videos, webinars, assignments, quizzes, online interactions and clarifications. Each e-Programme will have four live webinars and course material will be made available in advance for study.

### Who Can Participate?

Officials working on any aspect of payment systems.

### End Use:

Participants will have a better understanding of RBI's payment and settlement systems vision and the high-level committee report on deepening of digital payments. This will enable them to be better prepared for potential enhancements and policy changes that the payment systems may undergo over the next couple of years.

### Programme Coordinator:
