### Introduction

Digital Banking has become very popular in the last few years, due to many advantages like convenience and ease of banking. Financial frauds and cyber-crimes are also increasing at a much faster pace. There is need to address this issue and make banking safe and secure. Conducting cyber security drills is an important aspect for fostering cyber security in banking sector. IDRBT has started cyber security drills/ exercise for banks about 8 years ago. The participation in such cyber drills is also mandated by RBI in its circular of June 2016. The participation of banks in cyber security drills is increasing every quarter but the attack detection and mitigation of cyber-attacks needs lot more improvement. With this objective in mind, this program is introduced for security teams of banks.
