Cyber Security Drills
September 21 - 23, 2022

Coordinator: Dr. B. M. Mehtre, Professor, IDRBT
e-mail: *bmmehtre@idrbt.ac.in*

Introduction

Digital Banking has become very popular in the last few years, due to many advantages like convenience and ease of banking. Financial frauds and cyber-crimes are also increasing at a much faster pace. There is need to address this issue and make banking safe and secure. Conducting cyber security drills is an important aspect for fostering cyber security in banking sector. IDRBT has started cyber security drills/ exercise for banks about 8 years ago. The participation in such cyber drills is also mandated by RBI in its circular of June 2016. The participation of banks in cyber security drills is increasing every quarter but the attack detection and mitigation of cyber-attacks needs lot more improvement. With this objective in mind, this program is introduced for security teams of banks.

Objective

* To introduce officials of banks to cyber security drills
* To give hands on training for detection of attacks
* To improve skills of cyber-attack detection

Contents

* Introduction to cyber drills
* Cyber Drills, a national perspective, by CERT-in
* Table top Exercise
* How to detect attacks
* Tools for cyber drill
* Hands on exercise
* Report preparation

Who Can Participate?

Bank officials dealing with security aspects, SOC teams, Information security teams. It is recommended that bank nominates team of at least 2 officials.

End Use

* Better prepared to handle cyber crisis situation.
* Improved cyber-attack detection in cyber drills.

Faculty

Faculty of IDRBT, Guest Speakers from the Industry & Practitioners.
