

INSTITUTE FOR DEVELOPMENT AND RESEARCH IN BANKING TECHNOLOGY

(Established by Reserve Bank of India)

Invitation for Senior Domain Experts

Rolling Advertisement No: 05/2021-22, Dated: August 12, 2021

The Institute for Development and Research in Banking Technology (IDRBT), established by Reserve Bank of India, is the premier Institute of Banking Technology in the country. The Institute spearheads efforts in providing state-of-the-art technologies for the Banking and Financial Sector by interfacing Applied Research and Development, Academics, Executive Education, Practice and Consultancy so as to continuously enable the technology transformation of the Banking and Financial Sector in India and make it future-ready.

The Institute intends to engage Senior Domain Experts to contribute to various technology initiatives of the Institute. While the Institute's Faculty bring in the technical expertise, these Experts are expected to bring in the domain knowledge of the Banking and Financial Sector. The working of these two groups in close coordination complimenting each other's strengths is expected to create the synergy to anticipate and respond to the fundamentally shifting technology landscape and enable the Institute to address the fast changing technology requirements of the Banking and Financial Sector better.

IDRBT invites applications from technically competent senior bankers with both direct domain knowledge as well as a strategic understanding of various issues in the area of banking technology, for engagement as **SENIOR DOMAIN EXPERTS** and the eligibility criteria is as under:

i. Eligibility:

- ❖ Should have a minimum of ten years' work experience in commercial banks
- ❖ Should have worked for a minimum of three years in the rank of General Manager Handling Information Technology / Information Security / Fintech or directly related areas of technology in commercial banks
- ❖ Should have the technical knowledge, ability and drive to contribute actively to one of the following areas:
 - Artificial Intelligence / Machine Learning
 - Cloud Computing / Edge Computing / Internet of Things
 - Distributed Ledger Technology
 - 5G and Beyond Networks
 - Cyber Security
 - Any other area directly relevant to Banking Technology
- ❖ Not beyond 62 (Sixty-Two) years as on **April 30, 2024**.

- ii. **Period of Work:** Senior Domain Experts are expected to work for the Institute for a maximum of eight days in a month. Accordingly, they can work for other organisations as well.
- iii. **Compensation:** An Honorarium of up to Rs 50,000/- (Rupees Fifty Thousand Only) linked to the number of days worked for making the contribution/s to the Institute in a month plus conveyance expenses.
- iv. **Term:** Selected candidates would be engaged for a period of one year. This engagement is extendable based on the requirements of the Institute and capability to continuously contribute to the Institute till reaching the age of 65 (Sixty-Five) years.
- v. **Application Process:** Interested candidates may forward a Covering Letter highlighting the contributions they can make to the Institute along with their detailed CV to “The Human Resources Department, IDRBT, Castle Hills, Road No.1, Masab Tank, Hyderabad – 57” or by e-mail to SDE@idrbt.ac.in.
- vi. Only shortlisted applicants will be contacted. Queries, if any, may also be addressed to the above email ID.
- vii. This is a Rolling Advertisement, and though candidates may apply at any time; applications received shall be processed from time to time at certain cut-off dates. **All applications received till APRIL 30, 2024 will be processed in the first lot.**
