

Programme on
EMERGING TRENDS IN
CLOUD COMPUTING

Programme Coordinator: **Dr. P. Syam Kumar**

FEBRUARY 10 - 14, 2025 (OFFLINE MODE)

Introduction

Cloud Computing is an on-demand availability of computer system resources and delivery of computer services including servers, storage, databases, networking, software, analytics, and intelligence over the internet to offer faster innovation, flexible resources, and economies of scale. It is used by every banks that wants business continuity, cost reduction, and enhanced future scalability.

Emerging trends in cloud have played an important role in banking sector like Internet of things (IoT), Big data and Containers etc. have contributed to the expansion of business to under-served areas. In fact, the way of banking has shifted from being conventional to convenient – making financial products and services available practically at the touch of a button. The banking industry in India is geared up for a transformational space with the implementation of these emerging cloud technologies.

Objective

This program should help the officials to understand the new technologies and equip them to decide on future IT requirement for the Bank. The program should also assist them to manage the existing IT setup more efficiently with emerging technologies.

Contents

- ★ Cloud Computing & Adoption in Banks
- ★ Multi-cloud and Hybrid Clouds
- ★ Cloud Security
- ★ Containerization
- ★ Kubernetes
- ★ DevOps
- ★ Cloud Native Applications
- ★ Serverless Computing
- ★ Internet of things(IoT)
- ★ Big data
- ★ Edge/Fog Computing
- ★ Blockchain
- ★ Opensource Cloud
- ★ AI/ML
- ★ Cloud based Quantum Computers

Who can Participate?

Officials working in IT implementation team and security management team at banks.

End Use

By end of this program, the participants can expand their cloud capabilities and upgrade and upscale their digital products by using the emerging cloud technologies like IoT, Big data, Containers etc. and resolve the challenges related to these technologies for banking applications.
